2027

**Over 20 years of health
and hope for Chicago's
underserved communities.**

Esperanza Health Centers opened its first clinic in 2004 with just three providers in the primarily Mexican neighborhood of Little Village.

Today, Esperanza provides care to over 57,000 patients a year across eight clinics on the Southwest side of Chicago, delivering care in adult medicine, pediatrics, obstetrics and gynecology, behavioral health, substance use treatment, HIV prevention, and more.

What has not changed throughout the years is Esperanza's dedication to the communities it serves. More than 20 years later, we remain committed to delivering top-quality care for all, regardless of a person's income, insurance, or immigration status.

Our Gala

Latinísimo

Esperanza Health Centers Gala
